

Discover the Lost World of Giants and Humanoids in Mythology, Legend, and Folklore: An Enchanting Journey with the "Encyclopedia of Giants and Humanoids"

Prologue: A Glimpse into the Realm of the Titans

Lost in the annals of history, shrouded in mystery and awe, lies a world where giants and humanoids once roamed the Earth. From the colossal Titans of Greek mythology to the shadowy Bigfoot of modern legend, these enigmatic creatures have captivated human imagination for centuries. The "Encyclopedia of Giants and Humanoids in Myth, Legend, and Folklore" unveils this hidden realm, inviting you on an extraordinary journey to explore the origins, nature, and significance of these extraordinary beings.

Chapter 1: The Titans of Mythology: Gods, Demigods, and Monsters

Delve into the realm of ancient Greece, where the Titans, primordial deities of immense power, ruled the universe. Meet Cronus, the patriarch of the Titans, who devoured his own children to ensure his reign. Encounter Prometheus, the trickster Titan, who defied the gods to bring fire to humanity. Witness the rise of Zeus, the king of the gods, who overthrew his father and imprisoned the Titans in the depths of Tartarus.
