MacLaine's journey into the psychic world began in the late 1960s, when she was experiencing a series of personal and professional challenges. She turned to psychics and mediums for guidance, and she was amazed by what they told her. They confirmed her suspicions that she was a reincarnation of a famous actress from the 1920s, and they gave her detailed information about her past lives.

MacLaine's experiences with psychics and mediums led her to conclude that there is more to reality than we can see or touch. She believes that we

are all connected to a higher power, and that we have the ability to tap into our own psychic abilities.

In *Out on a Limb*, MacLaine shares her experiences with psychics and mediums in a down-to-earth and accessible way. She does not try to convince readers to believe in the paranormal, but she does encourage them to keep an open mind and to explore the possibilities that exist beyond our everyday experience.
