Shaun's story begins in the small town of Prescott, where he first encounters the allure of drugs and alcohol. As he grows older, he moves to the city of Phoenix, where the party scene is even more vibrant and dangerous. Shaun quickly falls into a downward spiral, spending his days and nights in a blur of intoxication.

Party Time Raving Arizona is a raw and unflinching account of Shaun's experiences. He writes about the highs and lows of addiction, the friendships and relationships that were destroyed, and the moments of despair that led him to the brink of suicide.

But Shaun's story is not just a tale of darkness and despair. It is also a story of redemption and hope. After years of struggling with addiction, Shaun finally finds the strength to get sober. He rebuilds his life, one day at a time, and he now works to help others who are struggling with the same demons that he once faced.

Party Time Raving Arizona is a powerful and moving memoir that offers a unique glimpse into the dark side of the human psyche. It is a story that will stay with you long after you finish reading it.
