

Unveil the Truth: "Who Are We Really Calling On?" Unlocks the Secrets to Effective Prayer

Embark on a Profound Journey of Self-Discovery and Spiritual Awakening

In the realm of spirituality, prayer stands as a cornerstone practice. For centuries, people from all walks of life have turned to prayer to connect with the divine, seek solace in times of need, and find guidance on their life's path. Yet, amidst the countless prayers uttered each day, a fundamental question lingers: "Who are we truly calling on?"

"Oh Man" Who is oh MAN: Who are we Really calling

In her groundbreaking book, "Who Are We Really Calling On?", renowned spiritual teacher and author Sarah Jane Brown unveils the profound truth that our understanding of prayer—and the results we experience—hinges upon a clear comprehension of the divine presence we are invoking. Drawing upon ancient wisdom and her own transformative experiences, Brown guides us on an enlightening journey of self-discovery and spiritual awakening, revealing the true nature of prayer and empowering us to connect with the divine in a more profound and meaningful way.

Unveiling the Hierarchy of Divine Beings

Central to Brown's teachings is the concept of a hierarchy of divine beings. She explains that the universe is not governed by a single, omnipotent deity, but rather by a vast array of beings—angels, ascended masters, spirit guides, and more—each possessing unique roles and responsibilities within the divine realm. By understanding the nature and functions of these beings, we can discern who is most appropriate to call upon for specific needs and guidance.

Brown provides detailed descriptions of the different levels of the divine hierarchy, from the elementals and nature spirits to the archangels and celestial masters. She explores their attributes, powers, and areas of expertise, giving us a comprehensive understanding of the celestial tapestry that surrounds us.

Choosing the Right Divine Intermediary for Your Needs

Once we grasp the concept of the divine hierarchy, Brown asserts that we can harness its power to enhance our prayers and manifest our intentions. Through a series of practical exercises and real-life examples, she teaches us how to identify the most suitable divine being to call upon based on the nature of our request.

For instance, if we seek healing or emotional support, we may invoke the archangel Raphael, known for his healing powers. If we crave guidance on a creative endeavor, we might call upon the goddess Athena, patron of wisdom and the arts. By selecting the appropriate divine intermediary, we increase the likelihood of our prayers being answered and our intentions being realized.

The Importance of Spiritual Hierarchy and Etiquette

Brown emphasizes that acknowledging the spiritual hierarchy is not about creating a rigid structure or worshipping external beings. Rather, it is about recognizing the interconnectedness of all life and the wisdom that can be gained from those who have ascended before us. By respecting the hierarchy and observing proper etiquette when interacting with divine beings, we demonstrate our sincerity and gratitude, fostering a harmonious and fruitful relationship.

A Call to Consciousness and Empowerment

"Who Are We Really Calling On?" is more than just a book; it is a transformative guidebook that invites us to expand our spiritual horizons and deepen our connection to the divine. Brown's teachings empower us to take ownership of our prayers, make informed choices about who we invoke, and cultivate a conscious and purposeful relationship with the unseen realms.

By embracing the wisdom shared in this book, we can unlock a profound understanding of prayer, experience a greater sense of connection to the divine, and manifest our intentions with clarity and purpose. "Who Are We Really Calling On?" is an invaluable resource for anyone seeking to enhance their spiritual practice, expand their consciousness, and embark on a journey of self-discovery and enlightenment.
